NAME OF ROTATION: Diagnostic Imaging (Radiology), PGY1

FOCUS OF THIS ROTATION
- Early clinic rotation that focuses on the interpretation of common diagnostic imaging modalities

CBD stage for this rotation:
- Transition to discipline – OHNS
- Foundations of discipline – OHNS

Length of this rotation:
- 1 block

PGY Level for this rotation:
- PGY1

Locations for rotation:
- PMH

Required training experiences included in this rotation
1. Ambulatory clinics
2. Film reading room

Other training experiences included in this rotation
- Surgical foundations educational program Tuesday AM
- Journal club
- Grand rounds
- Hospital Rounds (radiology presentations)
- QI project
- On-call per schedule
- Tumor boards

ITER | POWER

Key goals for this rotation

For this rotation, please FOCUS the evaluation on the following CanMEDS Roles:
- ☒ Medical expert
- ☒ Leader
- ☒ Health Advocate

<table>
<thead>
<tr>
<th>Goals</th>
<th>Role(s)</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Demonstrates knowledge of the indications and contraindication for basic and advanced imaging procedures as they relate to the head and neck, including ultrasound, CT, MR, nuclear medicine and PET scans</td>
<td>Medical Expert</td>
</tr>
<tr>
<td>2. Demonstrate detailed knowledge of cross-sectional anatomy of the head and neck</td>
<td>Medical Expert</td>
</tr>
<tr>
<td>3. Correctly interpret normal and abnormal x-rays, CT scans and MR imaging</td>
<td>Medical Expert</td>
</tr>
<tr>
<td>4. Perform procedures as required (image guided needle biopsies, injecting contrast agents)</td>
<td>Medical Expert</td>
</tr>
<tr>
<td>5. Demonstrates knowledge of how limitations in medical imaging resources may affect selection and timing of diagnostic testing for a given patient.</td>
<td>Leader</td>
</tr>
<tr>
<td>6. Recognizes own contribution to differences and acts professionally to resolve them. Reflects on actions.</td>
<td>Leader</td>
</tr>
<tr>
<td>7. Demonstrates familiarity with the ALARA principle</td>
<td>Health Advocate</td>
</tr>
<tr>
<td>8. Advocates for patients as required</td>
<td>Health Advocate</td>
</tr>
